Architectural instructor/assistant professor

St. Louis Community College at Meramec has an opening for a full-time instructor/assistant professor in architectural technology, starting in fall. Position requires a minimum bachelor of science degree, registration as architect, and four years of experience in an architecture office. Must be able to teach architectural graphics, design and production studios, computer-aided drafting (AutoCAD) including 3-D modeling, and architectural rendering and illustration. Previous teaching experience desirable, but not required. Application or cover letter/resume and appropriate transcripts must be received by June 29, 2001, at St. Louis Community College Human Resources Dept, 300 S. Broadway, St. Louis, MO 63102; email, jclaverie@stlcc.cc.mo.us; fax, (314) 539-5493. AA/EOE

Architectural plan reviewer

VANIR is expanding its highly recognized Constructability Group. We want top-level experienced senior professionals with public works, education, and government facilities building experience. Positions are full time in our Sacra-

mento headquarters, but part time will be considered. If you understand and appreciate the complexities of good design, if you possess a thorough knowledge of construction and applicable building codes, and if you enjoy the opportunity of working with and helping to ensure high quality projects, VANIR has the career for you. Top dollars/benefits for the right people! Email resume to: personnel@vanir.com; or fax, (916) 444-9657. An Equal Opportunity Employer.

Architectural rendering

We bring your vision to life with high-quality, photo-realistic 3D exterior renderings, interior renderings, and photo manipulation. Turnaround averages 10 days for 3D exterior renderings, and most 3D renderings cost about \$1,800. Our Web site shows many examples of our work, and the price is listed for each rendering. Photo-quality prints are available in any size up to 48" wide, perfect for presentations or construction signs. For more information, visit our Web site, www.blueskydigital.com, or call Blue Sky Digital, Inc. tollfree, 888-918-2583, for a demo CD.

ARE study materials

Highly informative and updated educational books provide streamlined study materials for all sections of the 2000 ARE. Three separate books thoroughly cover the nine divisions. Additional resources are available for the California Supplemental Exam. To request an order form, please visit our Web site at www.amorstudyguides.com or call the office of William A. Amor, AIA, NCARB, (714) 870-9531.

London merger or acquisition

Established interior architectural firm based in London with blue chip client base seeks expansion/diversification through merger or acquisition. Areas of particular interest include com-

mercial/corporate design, retail roll-out, and project management. E-mail to mergers@lineone.net and letters to Mergers PO Box 31544, London W11 4FE United Kingdom.

Outsource your as-builts

InfoQuest Technologies, LLC is a firm specializing in creating "As-Is" CAD floor plans. We provide building survey services, software, and systems worldwide. Call 800-478-4347, or visit www.iqt.com.

Outsourcing: Quality, profit, speed

High-quality construction documents are being outsourced by prominent U.S. architects, via secure Web sites, with our longstanding Manila office. Our rates are U.S.\$22-\$32 per hour. Additionally profitable, production time can be reduced 40 percent by managing us on screen as your "night shift" support team. We work on AutoCAD or Microstation, full or partial scope, assist with sheet requirements, and bill on an agreed hourly, not-to-exceed basis. Quality control of all building types is assured by experienced Richard Jones, RIBA, and former I.M. Pei employee David King, AIA New York. For more information and CD, email kjarch@pacific.net.ph.

Prestigious architectural index and database for sale or merger

Oldest practice-oriented index to architectural and design-related magazines. Published in an annual hardcopy version and a Web site with 19 years of data. The Web site revenue potential for this database is considerable. The product has the potential for major expansion and is well positioned to emerge as the portal to other architectural data. Publisher-founder-architect seeking to transfer ownership on eve of retirement. Respond describing your interest and qualifications to AI, PO Box 1168, Boulder, CO 80306.

Project interior designers

Northern New Jersey architecture firm seeks senior and junior project interior designers. Architectural license and credentials required. Experienced in programming, designing, construction documents of all types of interiors. Salary/benefits commensurate with experience, talent, and commitment. Excellent opportunity at management level. Fax resume to (201) 368-1592.
