Architects

The Baltimore office of Carter & Burgess is seeking design-oriented architects to participate in a variety of domestic and international commercial mixed-use projects. We are looking for: a senior technical architect, with 15+ years of experience, to lead the technical effort for large commercial mixed-use projects; project managers/architects, with 8+ years of experience, to participate in all phases of the architectural process; and intern architects, with 5+ years of experience and design or technical skills. Carter & Burgess is a growth-oriented, full-service national practice. Candidates should have the desire to engage in a creative, team-oriented, invigorating environment and the ability to capitalize on the challenges and opportunities provided through a position with Carter & Burgess. Excellent salary and benefits. Please fax, mail, or email your resume and salary requirements to: Carter & Burgess Consultants, Inc., 201 N. Charles Street, 9th Floor, Baltimore, MD 21201; fax, 410-727-6783; pulverentecj@c-b.com.

National Center for the Preservation of Democracy (NCPD)

Request for Qualifications for Architectural Design for the Restoration and Expansion of the Japanese American National Museum's Historic Building

The NCPD, a 501(c)3 corporation, seeks an architect to design the restoration and expansion of the Japanese American National Museum's Historic Building, which will be the NCPD headquarters. Experience in preservation architecture is critical as the historic building is designated a cultural monument of the City of Los Angeles and registered in the National Registry of Historic Sites.

An RFQ packet may be obtained by sending a fax to Kenneth S. Hamamura, 213-830-5674.

Send qualifications to: Kenneth S. Hamamura, Project Director, NCPD, 369 East First Street, Los Angeles, CA 90012. Phone, 213-830-5638. Sub-

mission of qualifications will be accepted until 5:00 p.m. PDT on September 7, 2001. Faxed transmissions of qualifications will not be accepted.

The NCPD and Japanese American National Museum are Equal Opportunity Employers.

Outsource construction documents

CAD-proficient architect with 28 years experience in D.C. and central Virginia offers professional assistance creating working drawings for high-end residential and commercial projects. Maximum project size, approximately \$15,000,000. Hourly rates, billable monthly; meetings in your office in D.C.-Maryland-Virginia; Internet or CD deliverables in AutoCADR14.

Outsourcing: Quality, profit, speed

High-quality construction documents are being outsourced by prominent U.S. architects, via secure Web sites, with our longstanding Manila office. Our low rates more than halve your costs. Additionally, profitable production time can be reduced 40 percent by managing us on screen as your "night shift" support team. We work on AutoCAD or Microstation, full or partial scope, assist with sheet requirements, and bill on an agreed hourly, not-to-exceed basis. Quality control of all building types is assured by experienced Richard Jones, RIBA, and former I.M. Pei employee David King, AIA New York. For more information and CD, email kjarch@pacific.net.ph.

Project landscape architect

The Office of James Burnett, a Houston-based landscape architecture firm, has immediate openings for a project landscape architect with 4-10 years of experience and strong leadership skills. Project management, coordination, communication, graphics, design, and CAD skills required. Mini-CAD and Vector Works experience desired. BLA or MLA required. Competitive salary and benefits, based on experience. We are an established nationally recognized firm with a diverse backlog of exciting projects, including: a five-star resort/spa/conference facility, health-care facilities located across the U.S., corporate campus developments, and commercial developments. Send resume by email, lperalta@officeofjamesburnett.com, or fax, 713-529-9955.
