For sale: architectural practice

Owner of small commercial, retail, and industrial architectural practice in the growing Seattle market is seeking to retire. Celebrating 25 years of working with an established clientele, the owner is looking for an acquisition, sale, or merger with someone interested in continuing this well-positioned and respected practice. Owner will continue in the transition. Address inquiries to Architectural Practice, 1916 Bonair Dr. SW, Seattle, WA 98116.

Outsourcing: Quality, profit, speed

High-quality construction documents are being outsourced by prominent U.S. architects, via secure Web sites, with our longstanding Manila office. Our low rates more than halve your costs. Additionally, profitable production time can be reduced 40 percent by managing us on screen as your "night shift" support team. We work on AutoCAD or Microstation, full or partial scope, assist with sheet requirements, and bill on an agreed hourly, not-to-exceed basis. Quality control of all building types is assured by experienced Richard Jones, RIBA, and former I.M. Pei employee David King, AIA New York. For more information and CD, email kjarch@pacific.net.ph.

Project architect

Giffin Bolte Jurgens is an established health-care design firm in Portland, Ore. Candidates should have 10 years of experience, be AutoCAD proficient, and have strong technical backgrounds. Health-care experience preferred. Benefits include health insurance, 401-K, transit pass and profit-based bonuses. Contact through Web site, www.gbjarch.com.

System Administrator

Central California A/E firm seeks a system administrator to oversee local area network and technical administration of their project management database. Candidates should have experience in construction/project management, desktop and network system hardware, windows NT/2000, and NetWare. Prolog Manager/Project Talk, Microsoft Access and SQL Server experience is desirable. Four-day work week. Competitive salary, generous benefit and bonus packages. Send resume to: Integrated Designs, attn. Sharon, 6011 N. Fresno Street #130, Fresno, CA 93710; or email, sashida@somam.com

Training

Interns, practitioners, A/E educators. Visit www.protechseminars.com.

Senior technical architect

Anderson Brulé Architects, Inc., San Jose, and Niles Bolton Associates, Inc., Atlanta, seek a senior level technical architect for a major institutional/residential project in the San Jose area, with potential for continued employment. Senior technical architect with 15+ years of related experience and strong CA/QA specification-writing background. Will facilitate the construction process for multiple projects. Monitor construction activities for compliance with contractual documents. Serve as one of the resources to project managers for review of shop drawings, and coordination of permits as well as site visits. Function as a teacher and mentor to technical staff. Must possess in-depth knowledge of building construction techniques, materials, and detailing, and California building codes. In-depth knowledge of detailing and principals in: roofing and waterproofing; curtain-wall systems; structural, mechanical, plumbing, and electrical systems. Send resume by fax, 408-298-1893; or email, deseri@abaarch.com.
