## PROJECTS OF NOTE

### James River (Va.) Chapter Names Prize Winners

The James River Chapter of the AIA has named the recipients of several of its awards programs. The organization honored associate AIA members and other nonlicensed employees of AIA James River Chapter member firms with its Sunday Prize. Entrants were limited to those with fewer than 10 years' working experience. The James River Chapter also named the recipients of its Design Awards; the Marcellus Wright Jr. Award, its highest service honor; and the James River Chapter Citation, which honors members or nonmembers who have made a significant contribution to the chapter's built environment or to the public's understanding and awareness of the built environment.
